

The Kentucky High School Feedback Report is produced by the Kentucky P-20 Data Collaborative, a joint effort from the Kentucky Department of Education, Council on Postsecondary Education, Education Professional Standards Board, the Kentucky Education and Workforce Development Cabinet, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college going that exists for this school. It follows students who graduated from high school in 2009-2010 and were enrolled in a college or university during the 2010-2011 academic year.

A. Overall, how do graduates from Franklin County High School compare to others in Kentucky?

	School	District	Kentucky
1. Number of high school graduates	208	440	43,711
2. Average high school GPA	2.95	2.69	2.84
