### Questions?

*KET Early Childhood Training Coordinator Susan Hines-Bricker is happy to answer questions concerning child development programs. Her credential number is 70249. She provides training for levels 1 through 4.*

**Contact Susan:**  
**(859) 258-7278 or**  
**(800) 432-0951, ext. 7278 or [childdev@ket.org](mailto:childdev@ket.org)**

### A Note on Training Levels

*Training levels range in difficulty from 1-5. A level 1 program is a basic introduction to the topic, while a level 5 program requires a good understanding of the subject prior to the program/session.*

*Selecting a level should be an individual decision based upon your understanding of the subject before the training. For example, if you have a good amount of knowledge in gross and fine motor skills, a level 1 training program on that topic would be too easy. But if you have very little knowledge in the subject and enroll in training with a level of 4 or 5, you may not understand the content presented.*

# 3 Borrow Training Videos *From Your Local Library*

KET has established a partnership with the Kentucky Department for Libraries and Archives (KDLA) for inter-library loan. To obtain credit, simply view the programs and complete the corresponding coursework. Registration costs are still applicable. It can take 7-10 days or longer to receive training videos from Frankfort after the request has been submitted by your local library. Limited quantities of programs may cause delays in receiving videos depending upon the demand. Individual libraries will determine the length of loan based on when items are due back to KDLA.

## Early Care and Education Providers

1. Take this newsletter with you to the library.
2. Ask for the inter-library loan librarian to assist you with the request.
3. As soon as your request has been submitted to the library, send in your KET registration (pages 7 & 8) so you will have your materials ready when your videos arrive at the library. The library **ONLY** handles the videos.

## Library Personnel

1. For this inter-library loan go to [www.kdla.ky.gov](http://www.kdla.ky.gov) and click on **Ask a Librarian**.
2. Fill out the Kentucky Public Library Visual Materials/Kit Request Form.
3. If you have problems completing the request, please contact Susan Hines-Bricker at 859-258-7278 or KDLA personnel.

# FREQUENTLY ASKED QUESTIONS

## **How long will it be before I receive my coursework materials and/or DVD programs?**

Coursework materials and DVD programs are typically shipped within one week of receiving the order at KET. Occasionally a DVD program will be temporarily out of stock and will ship as soon as stock is replenished. On-air coursework will ship immediately prior to air dates.

*\*Coursework materials and DVD programs are shipped separately.*

## **What forms of payment are acceptable?**

KET can accept checks, money orders, Visa and MasterCard as payment. Cash payments and purchase orders are not accepted. If you are affiliated with a public school, please contact Susan Hines-Bricker at 859-258-7278 for further information.

## **Can orders be placed over the phone?**

Due to increases in volume, we can no longer accept orders over the phone. Orders can be mailed or faxed to (859) 258-7461. Following these guidelines will ensure safe handling of your valuable credit card information.

## **Can I switch courses once enrolled?**

If the course is not an online course, an individual can switch to a different course. An invoice will be sent for the difference owed or a credit will be placed on your account. Online courses must be completed by the original enrollee.

## **How long do I have to complete coursework?**

Effective July 1, 2011, enrolled participants will have 2 years to complete written coursework (6 months for online courses) before forfeiting fees.

## **When will I receive my certificate?**

Returned coursework will be reviewed and evaluated within two weeks of arrival at KET. Licensing does not allow for KET to backdate certificates under any circumstance. CEU credit certificates typically take a month to be returned.

## **Can my certificate be faxed to me?**

Certificates cannot be faxed under any circumstance.

## **Can purchased training programs be used more than once?**

Currently the state does not have a regulation about repeating a course for credits. However, KET policy allows an individual to complete a course for credit every other year, and no more than two certificates of credit will be issued to an individual for the same course.

## **What if I have other questions or would like to speak to someone by phone?**

Please contact Susan Hines-Bricker at 859-258-7278 and she will be happy to assist you.
