

Kentucky Strengthening Families: Level of Involvement

To engage various systems across Kentucky into the Strengthening Families framework, KYSF offers various levels of involvement to organizations representing these systems.

This enables organizations to choose the level of involvement in Kentucky Strengthening Families based upon their current priorities, resources and needs. It also allows for organizations within similar systems to collaborate and share resources.

Leadership Level	Partner Level	Advocate Level
<p>Organization or individual is committed to advancing SF at a state-wide level.</p> <p>Some examples of participation at the Organizational Level are:</p> <ul style="list-style-type: none">• Is responsible for setting and monitoring strategic priorities for KYSF.• Serves as a member of the leadership council.• Participates in a KYSF work group.• Offers organizational resources to state-wide endeavors/ efforts.• Promotes protective factors throughout the state.	<p>Organization or own values and practices align with SF protective factors framework.</p> <p>Some examples of participation at the Partner Level are:</p> <ul style="list-style-type: none">• Participates in a KYSF learning community.• Has resources dedicated to implementing SF protective factors framework in their organizations or in their partnerships with families.• Is willing to participate in SF pilots and collect data for state-wide efforts.• May serve on the leadership council.• May have staff trained as SF trainers.• Promotes protective factors regionally.• Promotes system of care/trauma informed care framework.	<p>Organization or own values align with SF protective factors framework.</p> <p>Some examples of participation at the Associate Level are:</p> <ul style="list-style-type: none">• Has participated in Protective Factors training.• Is up-to-date on happenings with KYSF.• Encourages conversations and activities that support protective factors for families.
