

Framing the “Why?”

Why does school readiness and early childhood matter to us?

Identify others who should care about school readiness that may not be involved, yet.

What did you learn from presented data sources?

What opportunities does it suggest?

How will you use this data to develop or inform your local strategy?

Agency Action Plan

Team Members:

Families Action Plan

Goal #

Strategy:

**Action Steps
(What will be done to implement the strategy?)**

Who is responsible?

Start and End dates (Mo/Year)

Intended Outcomes

Evidenced of complete/high quality results

1.

2.

3.
